You won't share many intimate and friendly relations around as there will be only a few closer to you. You are very much reserved in your attitude. You may lack self-esteem at times and may need great motivation and inspiration to move ahead.

Planet Mars is in Pisces sign.

You are the people who are never direct in your life and you usually follow rather than make others follow them. These natives will not try to change things in your life and rather will let things happen. You are mostly so confused about yourself that you hardly know what you want in your lives. You can be tricky with people to get what you want and have ever changing desires. You keep varying in your day to day moods and make it difficult for others too to understand them. You are happy only when you have a channel through which you can funnel out your bursts of emotions.

Planet Mercury is in Sixth house.

Mercury in sixth house makes one feared by Your enemies. You may have setbacks in primary education. You will become a respected personality later on, like to show off a lot. You may become quarrelsome person and later in life you may suffer from psychological disorders.

Planet Mercury is in Virgo sign.

You like to keep a low profile but you do feel good when someone appreciates your brain power. You like things to be in order and feel bad when you are not. You are very good organizers, planners in short term

duration. You work best when you already know your tasks, sudden things distract you. You are good at grasping things but are not very deep thinkers. You are best in handling day to day things and tasks and feel annoyed if it is given to someone else.

Planet Jupiter is in Second house.

You will be charitable, will perform good deeds for others, you will beget a good wife or husband you will avoid conflicts and petty issues. You will gain wealth from the sources related to Sagittarius or Pisces signs. Your food will have more fats. You will have adjusting nature.

Planet Jupiter is in Taurus sign.

You are many times very self-centered. You may eat too much or may be fond of good dining. You are practical people and get motivated when you see something measurable coming out from your efforts. You do not take big risks and are more on the safer side always. Such natives are good in dealing money matters. You use money for real things and not just to show off. You are good in getting gains from stocks, have a knack for doing business, and spend wisely.

Planet Venus is in Fifth house.

You will have one daughter surely. You will have many children. You will have many friends. You may become a poet, songwriter, singer, musician, and actor. You will get respect from the government. You will make money in gambling, lottery, stock markets. You will be a popular person and will like to travel a lot.

Planet Venus is in Leo sign.

In relationships, you love to be felt special and your egos pampered. You are a loyal breed of lovers and love is what matters to them the most. You will make one feel experienced in matters of love. You expect too much and it is mostly to give them attention. You feel strange when you see an indifferent behavior. Sex for them is very important ingredient but love as such is more important to them. Usually both are inseparable for them. You will always want to get satisfied in every manner and one has to be very polite in communicating that you too also have emotions in you. It is better that you decide the rendezvous for the date and you pay the bills. You can spend a lot on show off and you like to give costly presents.

Planet Saturn is in Ninth house.

You will attain great heights in the path of education & learning and would possess strong philosophical hold. You will be spiritual in your approach. You will learn foreign languages. You will follow old traditions and will not accept changes easily. You may be harsh at times in your public dealings. You will get more than one house in your life span.

Planet Saturn is in Sagittarius sign.

You are serious when it comes to philosophy, education and religion. You are highly principled, believing that people earn your achievements through hard work. Reputation is very important to you. You may not have been able to get the education you desired, so many are self-taught to a degree. Intellectual capability is important to you. You may be skeptical and need to prove your theories. You are conservative, and you change only with much resistance. You may be very narrow-minded when it comes to philosophy or religion. You love to learn and now you have the focus you need.

Alternatively, you can also develop tunnel vision. You may be attracted to games of chance. You enjoy the adventure and excitement associated with it. You are very logical. It is hard for you to appreciate the magic in a sunset or a rainbow. You may fear you will be punished if you don't live on the straight and narrow.

Planet Rahu is in Eleventh house.

The native goes in Navy or Army. He earns through foreign lands. He will have diseases of the ear. He will have fewer issues. You will be acquainted with many but will not possess very strong relations or will have only a few of them. The malefic placement of Rahu in the eleventh house would result in the bad relationships with the father and that could even be bitter of the bitter.

Planet Ketu is in Fifth house.

Your progeny will not prolong, You will have hyperacidity and tumors in stomach. You will have inclination towards spirituality.

Effect of Rahu (North Node) and Ketu (South Node) in your life

Rahu is probably the most dreaded planet of all and the irony is that it is not even a planet but a mere shadow. It is associated with many things and people interpret its results variedly. No two astrologers will be giving the same prediction usually for the same placement of Rahu or Ketu. One can correlate with his natal chart the effects of these two in his horoscope in houses and signs.

The native wants to reach new heights in his life and does not want to be a

part of the enormous crowd growing day after day. There are issues related to romance and romantic life going on with the native. The native asserts more of himself and his wishes rather than listening to others too. Suspicion in love matters is a peculiar trait of this position. Stomach troubles are also associated with it. The native is not calm but aggressive and this is the major cause of unrest in his life and his mind.

Effect of conjunction of planets in your horoscope

This combination is the most commonly occurring one. Soft spoken and better analytical abilities are the features of the natives and you can be good actors, editors, and thinkers. Your brain will be very analytical and you will put your interests first and then others will be allowed.

Generalized annual horoscope report for 2017

Yearly predictions

The year will begin with Saturn in Scorpio till 26th January and on 26th it will enter into Sagittarius. It will get retrograde on 6th April and till 25th August it will be so. It will get direct on 25th August. It will enter Scorpio on 21st June and on 26th October it will move back into Sagittarius. Jupiter will be in Virgo till 12th September 2017. It will get retrograde on 6th February and

will become direct on 9th June. Rahu will be transiting Leo till 18th August 2017 and on 18th it will enter Cancer. Ketu will be in Aquarius till 18th August and on 18th it will enter Capricorn. Venus will enter into Pisces on 27th January and it will remain therefore a long time till 31st May when it goes into Aries. After that it has a smooth motion forward. It will retrograde on 4th March till 15th April and will get combust from 30th April to 13th July. I will be telling you the major things you can expect this year and problems you may face along with the remedies which will make your life easier. Kindly note that changes of major planets have deeper effect on native than other planets thus they are considered firstly to judge the impact on your life broadly. For precise study on your natal horoscope please buy our annual horoscope service.

About your Health

Health issues will be suffered most by people passing through the dasa of Saturn, Rahu and Ketu. If your current dasa lord is in star of any of these planets then also there will be same hazard. The problems which will be faced will be lack of activeness- lethargic attitude, negative impressions about people, sex organ related issues, blood impurities, mental dissatisfaction.

About your Family

Till September you will feel the blessing of the benefic planet Jupiter. It will change to Libra on 12th But till then you will have all the goodness with you. Your family life will be very adjusting and cooperative but not with your spouse. With your spouse, there will be disagreements and confusions. There is a possibility that you might use abusive language too to show your

anger and frustration. Rahu will be creating mental problems off and on. Ketu will be causing dislike towards your spouse. The best thing to do will be to listen more and speak less. Do not think the unthinkable and do not say the words which might hurt other`s feelings. Words once said can never be taken back and damage deeper than we think. There is a good chance of an increase in your family size by way of child birth. There will be celebrations and many good occasions between family members. After 12th September things will start to improve between you and your spouse. There will be slow acceptance of each other`s identity and self-respect. Saturn will be another spoilsport for you because it will transit to your 5th bhava causing problems in married life and relations with other people. Saturn`s transit will be bad not only for coming 2.5 years but till it reaches Aries and that will be after 10 years from now so if you are going through Saturn dasa and mercury or Ketu antara then be careful and take remedial measures. So people with Saturn, Rahu or Ketu dasa will be at loss and others will have an advantage.

About your Business and Finances

Business people will make self-respect progress except those with ongoing Ketu dasa. Those with dasa except that of Rahu-Ketu-Saturn will do well. Avoid the time when Venus is combust, to start new things or investing. Saturn will be in the 5th house which will ensure failures of investments so keep away from them. Rahu will also transit to 12th bhava in August, thus it will be good that you do not risk your savings or bank loans and keep doing steadily what you were doing and wait for a better time. There is a long wait from this year for many of you to taste success.

About your Career

Venus is your 10th house lord. It will be wasting time till 31st may due to its retrogression and combustion it will become correct after 13th Natives with Jupiter dasa will have good time and also due to ketu dasa there will be progress in career. Those with Saturn dasa or antara will face negative vibes in their career span. In august, Rahu-Ketu will change signs. That time will be important for career changes. Those looking for a change should try at that time.

About your Married Life

Saturn is a planet which doesn't give concession to its own signs also and he is aspecting your 7th house in transit. Married people will not be having a good time. After 12th September things will become less bad. You may have to witness miscarriage if you are expecting this year. Saturn is placed perfectly to give separation or divorce in your lives that too by force and not peace.

Recommended Gemstones for this year

You should wear a Yellow sapphire this year to boost your career possibilities. You can also wear energized opal, a talisman for Rahu-Ketu if you are having their dasas.

Recommended Vedic Remedies

You should recite "Aditya Hriday Stotra", "Hanuman Chalisa" and "Kanakdhaara Stotra", "Shree Suktam" to maintain peace of mind. You

should wear "1 mukhi rudraksha" in red or yellow thread this year.

Generalized annual horoscope report for 2018

Yearly predictions

The year will begin with Jupiter in Libra, Saturn in Sagittarius, Rahu in Cancer and Ketu in Capricorn, Mars this year will be hanging in Capricorn from 2nd May to 6th November and will be retrograding from 27th June to 28th August. Every alternate year Mars does this so this is nothing new. This will be the broad planetary picture of 2018.

About your Health

Gastric troubles will be there, from acute to minor ones. Shoulder and muscular pains will keep happening. These are the things which will trouble you most likely.

About your Family

Family matters are not going to give you peace of mind. Rather they may prove to be the main source of discontent which will start filling in you. You may have some disagreements with your maternal uncles. You will see tensions sprouting of common things but it will take long to settle down. There could be some issues with your grandparents.

About your Business and Finances

Business people will have normal year. Things will be usual as such with no big surprises. You should keep away from stocks and lending money to

someone. Do not go for partnerships or JV`s as it is not going to be of any good outcome. You may be cheated in JV`s. Things will be moving slowly but firmly. Results of your efforts will start to come but with considerable delays. You will manage things somehow in time. Mental stress will be there for no logical reason.

About your Career

This year you will be facing delays in your career growth. There will be lack of performance from your side. Though you will be trying your best and in some months you will be having a big smile but the overall picture tells that you will be on the losing side by the end of the year. Months from May to November will give you many ups and downs. You may shift your company in this period. You will develop many professional contacts in this period but they will not be of much use. You will become popular outside of your circle.

About your Married Life

Saturn is a planet which doesn`t give concession to its own signs also and he is aspecting your 7th house in transit. Married people will not be having good time. After 11th October things will become much worse. You may have to witness miscarriage if you are expecting this year. Saturn is placed perfectly to give separation or divorce in your lives that too by force and not peace.

Recommended Gemstones for this year

Yellow Sapphire is the stone which will be best for you this year.

Recommended Vedic Remedies

Fast on every Saturday and Tuesday. Saturn and Mars need to be appeased seriously this year. Donate blood on any Tuesday. Recite "Shani Stotra" and "Raam Raksha Stotra" daily. Feed cows and give yellow clothes to old Brahmins. Wear a "5 and 9 Mukhi Rudraksha" combination this year.

We hope our report will be very handy for your day to day life and major decisions. Feel free to consult our experienced astrologers in case you have any queries and we will be happy to help you out.

Sample Birth Chart for your understanding

How to read your Horoscope:

Dear Reader,

This is a Vedic astrology horoscope and please read below to know how to read your predictions.

As you are aware there are 12 houses and 9 planets and 12 signs which are the basis of Hindu Vedic Astrology since thousands of years. The numbers which are marked in brown denote houses of horoscope and this is universally static. The Vedic horoscope will be same across the globe and the house arrangement remains the same i.e. from 1 to 12 anticlockwise. The universe is always in motion and so are the signs and precisely this is why the 12 signs keep changing the houses along with planets. The numbers marked in blue are the 12 signs which never remain steady. There are 9 planets which are placed in these signs and houses at the time of birth and the combination of these three gives the clues to the astrologers about your future. There are many other things for sure but this is the core basic of Vedic Astrology.

The significations of houses:

All the 12 houses have many fold significations and below it is explained in

brief, what to see from which house:

- First House : Self, Body, Physique, Respect
- Second House: Family, Food, Bank balance, face
- Third House: Younger Brothers and sisters, Short Travels, Communications, negotiations
- Fourth House: Education, Mother, heart, Vehicle, Land, fields
- Fifth House: Progeny, Intellect, Speculation, Mantra Siddhi, Past life
- Sixth House: Enemies, Debts, Health
- Seventh House: Marriage, Business, Business partners, Foreign travels
- Eighth House: Life span, hidden money, Research, Occult, Nature of Death
- Ninth House: Luck, Father, Long Travels, Higher Education
- Tenth House: Work, Social life, Respect in society, fame
- Eleventh House: Friends, Fulfillment of desire, Elder Brothers, Favors
- Twelfth House: Hospitalization, Expenses, Bed pleasures, Secrecy

These were the things which are denoted by each house. Like houses, signs also are having a fixed sequence but they keep changing their place in the zodiac and so they fall in different houses at time of birth. Now read the significations of signs i.e. what each sign denotes:
