Dear Ms,

Lagna Chart

Navamsa Chart

You are going through the mahadasha of Jupiter and Mercury Antara till 16-11-2018.

Mercury is placed in Ketu star and Venus Sub. Venus is placed in the 8th cusp in the cuspal chart. In the period of Mercury you should focus only on your career and not on personal life because nothing is going to stay for long.

You will be heartbroken every time. It is better to focus on your business or job.

Furthermore, it will be wiser if you look for people older than you with a gap of minimum 3-4 years because your dara karaka is Saturn in Jaimini chart.

That too you should do after the anrata of mercury is over or between March to July 2018 when the sub-sub period of Jupiter will be operating.

The present relationship may also not stay for long.

Best Wishes

Acharya Raman
