Dear Sir,

You are running the dasa of Venus till 05-11-2027 and the current antara is of rahu till 05-01-2018.

- Please clarify based upon my horoscope, can I wear red coral and emerald together.
- Red coral is not the correct stone for you because Mars is in sub of ketu placed in 12<sup>th</sup> house. It will not at all suit and may give your physical injury.
- Mercury again is in star of Ketu placed in 12<sup>th</sup> house so it is also not at all advised.
- The only stone which you should wear is either opal of 9 carats or diamond as per your capacity on Friday morning in silver in ring finger.

Best Wishes

Acharya Raman
