Dear Sir,

You are Taurus lagna and Virgo rasi. You are presently running mahadasha of rahu till 28-11-2023. The current antara is of Ketu till june 2017 and then antara of Venus will be there till 15-6-2020.

The seventh cusp sub lord is Saturn placed in 7th bhava in cusp chart thus being a significator of 7th house assures marriage. Since it is Saturn hence there will be delays in your marriage. You are now running your 29th year. The antara of Venus will begin from June 2017.

The ruling planets at the time of judgment of the chart (16-3-2017, ndls, 10:43:03) are:

Ascendant star lord: Moon

Ascendant: Venus

Moon star lord: Rahu

Moon sign lord: Venus

Day lord: Jupiter

The probable time of your marriage will be during December 2018 to June 2019. Your marriage may get celebrated on a Thursday.

The condition of your marital life will not be satisfactory and you may indulge in extramarital affairs in time to come. You will have mild to major differences with your spouse in Rahu mahadasha but in Jupiter mahadasha things will get slightly better.

Your spouse will be hard working person and she may be interested in writing blogging etc. She will try to do her own things and she may be self employed at the time of marriage. She will have bad health later in life and will suffer from digestive disorders. She will have sharp brains and will have harsh speech at times.

You should recite “shree suktam” daily and wear an opal and an Aquamarine stone for peace and prosperity in your married life. Aquamarine should be worn by you and your spouse both on Friday morning of 7 ratti to 9 ratti in silver in third finger. Opal you can wear in second finger on Friday of about 9 ratti in silver.

Best Wishes
